The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light. *Matt. 6:22*

God NEVER ceases to amaze us! We are so thankful for all He has done these last few months. All of the doors He has opened along the way has been such a blessing to us. Some have asked, "Bro. Orange, do you ever get tired of all of the traveling and running?" I have to respond with, "Never, in the perfect will of God!" He always maintains a zeal and drive to keep going on to the next church because there are always people needing help and a Gospel to preach. Dear Evangelist Noah Frye, who is at home with the Lord now, once admonished me to be sure and help every pastor and every church and never get distracted with the "next meeting" and miss what God is doing in the meeting where I'm at. Jesus taught us that when we have helped those in need, we have actually helped Him (Mt. 25:40). We have enjoyed some of the greatest preaching and sat at the feet of some of God's choicest servants, in my humble opinion.

We have seen God move in the last few months in the meetings where we have had the privilege to be. Many jubilees, camp meetings and revivals where we have seen God do miraculous works in the lives of people from Missouri to Florida. We have been privileged to work with several churches as well in preparation for their meetings. If our schedule permits, we enjoy going in a few days early and helping churches set up and get ready for their special meeting. What a blessing to be able to do this. Many church members have jobs & work during the day and that can put a heavy load on the few that can work around the church and get things ready. We don't mind getting in and working because there's much more to the work of God and meetings than just getting on a platform to sing and/or preach. We learned that long ago. We were amazed to watch God put together meeting after meeting these last few months and even now our schedule is busy, but not full, all the way through October. We have been in at least 24 different churches & meetings & driven over 2200 miles since our last newsletter and have witnessed souls being saved and many of God's people getting help. He has been so faithful to meet our every need. Especially with the rising fuel prices. We used to top off our fuel tank on the way out of town for around \$400-\$500. Now, it's more like \$800. Many ask how much it takes to fill up our fuel tank and are blown away when they find out how much it is. We'll just keep going as long as God puts the fuel in and opens the doors to preach the Gospel & help His people.

We are so thankful to have our newest supporting church with us now, the Joy-light Baptist Church in Mt. Airy, NC. We are grateful for Pastor Dale Bass and all the folks there for supporting us and enabling us to do what God has given us to do.

PRAYER REQUESTS.....

- Pray for our safety and traveling grace on the road as well as wisdom and knowledge to maintain the bus and be a help to pastors and churches.
- Pray God will continue to open doors and use us as He sees fit.
- Pray we can have the wisdom to help God's people and win sinners to Christ. That is our desire and burden for every place we go into.
- Pray for support for our What the Bible Says radio broadcast aired on WYZD radio.

Thank you to all who have supported us. Your support is invaluable to us, especially your prayers.

Please don't stop praying for us!

God is NOT interested in just being a "part" of our lives. He is however interested and committed to "being our lives". Unfortunately, there are many who will profess to know Christ but have never made Him Lord of their life. He is Lord whether we believe or not, but He wants to be Lord over everything in our lives. This statement concerning a "single eye" proves that truth. This word "single" said of the eye means "singleness of purpose". This single eye keeps us from the snare of having a double treasure and consequently, a divided heart..

David, a man after God's own heart spoke many times of going after God with his whole heart in the Psalms. God commands that we seek Him with all of our heart as well. Jesus also said where our treasure is, there will our hearts be as well. We can never know the blessedness of the Savior and rest in His comfort until we come to the place in life where He is all we need & all we want. It has to be more than just words and good doctrine to us. He has to be our ONLY hope and confidence. Is He not enough? Are His ways not sufficient? Is He not trustworthy to put all we have in Him? I say YES to all of these questions. -**Bro. Orange**
